DREZ CHINESE ACADEMY

MISSION AND VISION

MISSION

At Drez Chinese Academy, we nurture global thinkers and innovators by empowering them to become excellent communicators—changing their own world one Chinese word at a time, and in turn, revolutionizing the way the world connects and thrives. We make learning Chinese a fun and interesting journey, helping students discover its beauty, creativity, and power—so they get to fall in love with the language till 100 years old.

VISION

We envision a future where language is not just a tool, but a way of life, and a bridge to limitless opportunities—where every learner regardless of age, discovers their creative potential, confidence, and the power to make an impact through Chinese.

DREZ CHINESE ACADEMY CORE VALUES

- **Inner Virtue and Self-Mastery**

As the first and most essential foundation of our education system, we prioritize the cultivation of personal integrity, emotional regulation, and self-discipline. Rooted in Confucian wisdom and inspired by J.D. Rockefeller's emphasis on strong character, purposeful living, and consistent habits, we guide students to develop inner strength and clarity of purpose—equipping them to lead themselves before they lead others.

- **Playful and Inquisitive Learning**

Embracing the joy of discovery, we cultivate a learning environment where curiosity leads the way. Through play and exploration, students engage deeply, develop critical thinking, and build a lifelong love for learning.

- **Cultural Connection and Appreciation**

Fostering a deep understanding and respect for cultural diversity, with a focus on the richness of the Chinese language and its global significance.

- **Global-Minded Excellence**

Equipping students with skills and knowledge to thrive in an interconnected world by emphasizing the importance of multilingualism and global competency.

- **Lifelong Learning and Adaptability**

Cultivating curiosity and resilience by making learning an enjoyable, sustainable journey that adapts to students' personal goals and global challenges.

- **Creativity in Communication**

Encouraging students to express themselves creatively in Chinese, integrating innovative methods to enhance communication skills.

- **Ethical Leadership and Responsibility**

Teaching students to be ethical and responsible global citizens who contribute positively to their communities and the world through their knowledge and skills.

DREZ METHODOLOGY ®

The Drez Methodology ® is rooted in principles of psychotherapy and psychology, designed to foster not only language acquisition but also social and emotional awareness. By integrating self-development practices into language learning, this approach helps students build confidence, emotional intelligence, and meaningful connections with the language and culture.

DREZ CHINESE ACADEMY SYNERGY LEARNING FRAMEWORK™

● CHILD : THE CORE , SELF-DRIVEN GROWTH

The child is at the center of their own learning journey. Their curiosity, motivation, and mindset determine how they absorb and apply knowledge. While external influences guide them, their willingness to explore, question, and persist ultimately shapes their growth.

Key Aspects:

- ✓ Self-motivation & curiosity
- ✓ Ability to apply learning in real life
- ✓ Emotional and cognitive development

DREZ CHINESE ACADEMY SYNERGY LEARNING FRAMEWORK™

● PARENTS : THE STRONGEST INFLUENCE

Parents shape a child's attitude towards learning, emotional security, and discipline. They create the home environment that determines whether a child sees education as a joyful journey or a pressured obligation. Their encouragement and involvement reinforce the child's progress beyond the classroom.

Key Aspects:

- ✓ Emotional & psychological foundation
- ✓ Reinforcement of values and learning habits
- ✓ Daily support and encouragement

DREZ CHINESE ACADEMY SYNERGY LEARNING FRAMEWORK™

● ACADEMY : THE GUIDING INFLUENCE

An academy provides structured knowledge, opportunities, and mentorship to help a child develop skills and broaden their perspectives. While parents set the foundation, an academy introduces new challenges, experiences, and structured learning that push the child toward growth.

Key Aspects:

- ✓ Knowledge & skill development
- ✓ Social interactions & peer learning
- ✓ Exposure to new ideas & structured education
